From the editor

It seems as though we have all made it through the turn of the Century in great shape. Good news, the renewals for year 2000 are going well. I am sure you are amongst the smart group and have already renewed. If by some chance you have been remiss, now is the time. At the Third Saturday SFSDS dances, renew and get a discount on the door charge. The Millennium is going to be the best, with a new board and all the new and fun things in the works for the near future, such as bus and air trips, to dances and to fun places, and much, much more. Don't get left behind ~

Join or renew now!

Your editor, *SAM*

Every once in a while, we see or hear about something or someone **SPECIAL**, and the hair on your arms rises with goose bumps. I think this is one of those times, at least for me it is, and I hope for some of you.

We all have to grow old, but sometimes, just one **SPECIAL** person can make the passing of time a little easier. The seniors at Peninsula Assisted Living Home, Hollywood, have found that person in **SANDI FINCI**. Just a little birthday party for her mother, lead to a monthly dance party, Champagne hour for the whole gang. Sandi's reward, is the smiles and love from every one she has made feel ♥♥♥

"YOUNG AT HEART" ONCE AGAIN!

CHECK IT OUT

Hey Gang,

This is John Butler coming to you from your "Activities Committee" head-quartered in beautiful downtown Davie, or at least close to it. I want to take a moment to tell you of some upcoming activities that are being planned to expanding our interests in activities other than dancing as well as expand our friendships.

In the near future you will be informed of "field trips" being planned to take us to some new locations, as well as some familiar locations in our never-ending search for that perfect dance floor, or perhaps dance partner. Such a trip is now being considered for a location in the Keys and also to a special secret location, just a little hint... We'll need a plane!

There will be the typical activities available such as picnics, beach parties and site seeing with most including some dancing. Here is one activity that is ready to go, if and when enough interest is found. Bowling! That's right I said "Bowling"! You may be asking yourself how do you mix bowling with dancing? Well obviously you haven't seen my "west coast gutter ball"! Seriously, if you are interested in bowling on a Sunday, 12 to 3 PM, I have made arrangements with University Bowl in Davie (University Dr.) to set up our own ~ ~ ~

"for fun only" league which could be a great lead-in too dancing afterwards at Cool City 4-5 miles south off University Dr. Call me @ 954-423-1542 for details on these or any other activities that interest you. Until the next time "Come play with us... it's better than playing ~~with~~ yourself!" --- JB

 A black and white flyer for a Valentine's Dance. At the top, a heart shape contains the date "FEBRUARY 19, 2000". Below the heart, the words "VALENTINE DANCE" are written in a large, bold, stylized font. Underneath the main title, the text "Grab your Sweetheart and" is written in a smaller, simpler font.
